3. For other subjects, each question carries equal marks viz.-a-viz. the total marks given i.e. 40 or 35 or 25 or 15 and the weight age of marks per question will be as follows:-

Max. Marks	No. of Questions to be attempted	Marks per Question
40	50	0.80

4. If total marks scored by a candidate is in fraction, then the same will be rounded off to the next higher numerical number, for example, if the child gets 16.1 marks then the total marks will be rounded off to 17 and so on.
